This is an opportunity for beginning bridge players (Under) to partner with experienced players (Overs) in a unit game to help beginning players learn more about bridge concepts.

The Unders must have fewer than 499 masterpoints and must not be a life master.

Partnerships will be announced the day of the Over/Under game by the coordinator.

All participants should arrive at 12:30 to complete a convention card with their assigned partner describing agreements to be used during the game.

The Over/Under game will begin at 1:00pm.

Under players pay \$10 and will receive a voucher for a free future unit game (two unit games for the price of one!).

The Over Players will be recruited by the Unit and will play for free.

All hands will be Pre-Dealt. Hand Records will be provided after the game.

If you are an Under player and are interested, please sign up no later than June 30, 2023 at:
